FOR BID

Sealed bids will be received by the El Paso Water Utilities until **2:00P.M.**, local time, **November 16, 2017**, Bid Number **37-17** for **KBH Service Blending Pipelines** in accordance with plans and specifications. Bids will then be opened and read aloud in the third floor conference room, El Paso Water Utilities Building, 1154 Hawkins Boulevard, El Paso, Texas 79925.

The work under this contract shall be for furnishing all labor, materials, transportation and services for the construction and installation of the following work:

1. Furnish and install approximately 600 LF of 6" diameter PVC C900 CL235 piping, isolation valves, 12-inch in-line static mixer, and appurtenances.
2. Furnish and install approximately 100 LF of 6" diameter 316 stainless steel piping, isolation valves, motor operated v-port ball valves, check valves, flow meters, pressure reducing valve, pressure relief valves, appurtenances, instruments, CMU building and HMAC access road, and additional input/output to existing SCADA system.
3. Furnish and install 30" X 6" tapping sleeve and valve assembly fittings and appurtenances.
4. Furnish and install Sand Strainer including control panel and pro-face controls, gear motor, rain protection roof for gear motor, differential pressure measurement system back flushing valve and 25-micron super mesh. Provide all necessary mechanical, electrical and control connections.
5. Furnish and install high flow multi-cartridge horizontal housing and appurtenances. Provide all necessary mechanical, electrical and control connections.
6. Furnish and install approximately 50 LF of 6-inch HDPE pipe, pressure relief valve inside a pre-case concrete valve vault, splash pad, alarm panel and beacon, appurtenances including electrical and control connections.
7. The project will include trench safety per OSHA requirements, disinfection, storm water pollution prevention measures, construction water and power, dust control, project management, mobilization, demobilization, house-keeping and project videotaping for a complete and operable project as intended by the drawings and specifications.

PRE-BID MEETING will be held at **10:00 A.M.** local time, **November 09, 2017**, in the third floor conference room, El Paso Water Utilities Building, 1154 Hawkins Boulevard, El Paso, Texas. The purpose of the PRE-BID MEETING is to review the plans and specifications and respond to questions from bidders.

Qualified Local, Minority and Women Enterprises are encouraged to participate in this project and will be contacted by the bidder by certified mail wherever possible. Certified receipts shall be provided as part of the bid unless the goal has been reached as evidenced by draft subcontracts included with the bid or other evidence the goal has been attained. The Utility's minimum goals for this project are: 15% for Small Locally-Owned Businesses, 5% for Minority-Owned Businesses, and 2% for Women-Owned Businesses.

Each Bid shall be submitted in accordance with the Instructions to Bidders and be accompanied by a Bid Security in the amount of five percent of the bid amount.

Contract Documents, including plans, specifications and proposal forms may be examined without charge in the office of the Purchasing Department, 1154 Hawkins Boulevard, El Paso, Texas 79925 (FED-X address) or may be obtained from the same address **upon receipt** of a non-refundable payment of **\$50.00** for each hard copy of Contract Documents and/or a non-refundable payment of **\$7.50** for a CD version of the Documents. Purchasing Department, 1154 Hawkins Boulevard, El Paso, Texas 79925 should be used for requesting plans through the U.S. Mail. The bid will be awarded by the Public Service Board at their regularly scheduled meeting. For additional information, contact the Purchasing Department at the above address or call (915) 594-5628.
