Emergency Shutoff Actuators & Controller System for Chlorine 150 lbs. Cylinders and
Automatic Switchover Systems

BID NUMBER 92-17

ADDENDUM NUMBER 1

November 29, 2017

Attention of all bidders is directed to the following addendum to this Bid Proposal:

A. Response(s) to Bidder's question(s):

- **Question:** Is there a bid or performance bond required?
Answer: No bid or performance bond are required.
- **Question:** Is there any site training required.
Answer: One day for training and one for technical support (the day for support might be broken down in hours).
- **Question:** Can you please advise how many of these units will be ordered or require each time in first year? This is important for calculating freight cost.
Answer: The estimated amount to be purchased for the first year is thirteen (13) dual emergency shut off system with automatic switchover systems and four (4) single emergency shut off system with the option to purchase the remaining units during the second year of the contract, upon budget approval.

Bidder shall acknowledge receipt of this addendum and submit this acknowledgment with their bid submittal. Failure to acknowledge addendum(s), may result in rejection of bid.
